

**UNIVERSITY OF NEVADA, LAS VEGAS**  
**NEVADA SYSTEM OF HIGHER EDUCATION WORK SERVICE PROGRAM**  
**ON-CAMPUS EMPLOYER PLACEMENT REQUEST**

The Nevada System of Higher Education (NSHE) Work Service Program is a state funded program that provides paid student internships that emphasize service and applied learning opportunities. These opportunities make a contribution to the University of Nevada, Las Vegas (UNLV), the State of Nevada or the surrounding communities. The purpose of the program is to provide eligible students with the opportunity to perform work or service that is consistent with the student's academic major, area of interest, degree or career objectives. On-campus and off-campus placements are available. Placements must reflect a high level of knowledge, skill or the service mission of UNLV. The placements may not be used for college level instruction and may not replace work-study positions.

The program is open to all students who are formally admitted to the institution, enrolled in at least six credit hours, and who meet specific UCCSN and institutional eligibility requirements. Students must work 80 hours per month, an average of 20 hours per week, during the academic semester. The program covers the cost of the student's full salary.
