OFFICIAL USE ONLY

2008-2009 ALTERNATIVE AND PARENT PLUS ONLY LOAN CERTIFICATION FORM

Every student that completes the Free Application for Federal Student Aid (FAFSA) and meets minimum eligibility criteria (citizenship, Selective Service registration, no defaulted loans, etc.) will at least be eligible for the Direct Stafford Loan. The Direct Stafford Loan is a program for students offering yearly borrowing maximums, a low interest rate, and a repayment grace period after the student leaves school and several deferment/forbearance options that can help with repayment during difficult financial periods.

If you have filed the FAFSA, or plan to file one for the 2008-2009 academic year, Financial Aid & Scholarships will review the processed FAFSA application for eligibility in all financial aid programs. Before completing certification of the alternative or PLUS loan application, Financial Aid & Scholarships will notify you of your eligibility in all aid programs which you will be asked to activate online. Eligibility for alternative or PLUS loan funds will be based on your cost of attendance minus any other aid you accept or are awarded, including scholarships, grants, and federal education loans.

Check ONLY the statement that is true for 2008-2009. You must check ONE statement. If you have questions about which statement should be checked, see a financial aid counselor in our office.

- I have filed the FAFSA and have listed UNLV as a recipient institution. I understand my alternative or parent PLUS loan application will be certified after the FAFSA application is processed, and after I have activated my aid online.
- I have not filed the 2008-2009 FAFSA, but will file the application with UNLV listed as a recipient institution. I understand my alternative or parent PLUS loan application will be certified up to the Cost of Attendance minus any possible federal loans I may receive.
- I will not file the 2008-2009 FAFSA. I do not want to be considered for financial aid other than the alternative or PLUS loan.
